## Dedication . . .

. . . To a fun-loving educator who makes every day a new learning experience.

. . . To a well-organized leader who is an inspiration to us all.

. . . To a sympathetic friend who has reached out to us before, during, and after school hours.

. . . To one who has sacrificed time for the well-being of others even in the midst of her own personal traumas.

. . . To a unique and well-qualified instructor who has established an excellent reputation for Long Beach not only locally, but also on national and international levels.

. . . To a teacher with a great love and appreciation of music and an undying desire to share this talent.

With a song in our hearts, we, the staff of the 1984 *Sea Gull*, hereby dedicate this annual to . . .

## 25 Years Ago: L.B.H.S. Moved to New Location

Through the years, Long Beach High School has seen many innovations, but seldom has excitement run as high as it did in the fall of 1959 when sophomores, juniors, and seniors were separated from grades 1 through 9 housed on Jeff Davis Avenue. The high school students moved into the buildings on Old Pass Road, our present location.

Under the direction of Mr. Fred G. Thornhill, principal, students acquired knowledge varying from the basic English, math, and history to typing, foreign language, band, physical education, shorthand, and accounting. At this time, Long Beach High consisted of four buildings: senior and sophomore halls, the cafeteria, and the administration wing. There were 15 teachers on the staff.

During the years 1960 through 1964, freshmen also attended L.B.H.S. In 1965 Mr. Phillip Brandon became principal. A more diversified curriculum was added, and the size of the cafeteria and of the band hall was increased.

In 1966, the integration of schools had begun, and Long Beach had its first black graduates. In 1967, Mr. Vernon Ehlers took over direction of the school.

When Hurricane Camille blew through in 1969, the L.B.H.S. building suffered damages totalling \$300,000. That fall students attended class in rooms with no ceilings, and a short schedule was adopted to allow workmen to work on repairs in the afternoons.

Mr. Ed Hayman was principal from 1973 to 1975 when Mr. Gerald Taylor took over the top administrative job in our school. Long Beach High had its peak enrollment in 1978 with 915 students and a graduating class of 288.

Now, 25 years later, Long Beach is celebrating its silver anniversary in the current school plant. Under the direction of Dr. Bobby Jones, principal, there are 802 students and 55 faculty members. Bearing this in mind, the 1984 *Sea Gull* staff presents this yearbook in honor of a wonderful 25 years.

## Our Senior Year Is Finally Here!

As we seniors share our glamorous portraits and cherished invitations and make plans for our college days, we begin to realize that at last we are the mighty seniors of Long Beach High School!

Brenda Brown, Jeff Bassett, and Rusty Deen admire each other's senior portraits.

"Our graduation announcements are beautiful," agree Jody Rogers, Gravis Suber, and Mary Martin.

Michelle Cook ponders the all-important question of where to go to college.

# Hear Us Roar . . . Senior Class of '84

Pep rallies are a major part of each week during the fall semester. Seniors decorate their section; then they yell and yell and jump around and really provide lots of spirit. As a result, most of the Spirit Sticks . . . "go to the Seniors!!!"

# Classes Became More Difficult

Unfortunately, our classes became more difficult and required more work this year. Frantically we worked towards the due date of our English research paper. With great desperation we tried to comprehend physics and trigonometry, and we read the gruesome classic, *Beowulf*. However, studying was an important part of our senior year.

Will we ever understand these physics problems?

Debbie searches the shelves of the library for material for her research paper.

Seniors in Mrs. Cole's English class are so dignified and mature!

# Seniors Show Homecoming Spirit

Upon the arrival of Homecoming, spirit envelopes the halls of Long Beach High, especially Senior Hall! Two weeks of hard work and preparation paid off well for the Class of '84 as we won the float competition.

Senior spirit "bustin' loose" for Homecoming.

Seniors went all out to decorate for the Homecoming pep rally.

## Seniority Brings Responsibility . . .

It has been said that seniority rules, and Long Beach High is no exception. Seniors hold positions of leadership and responsibility in every organization and activity around our school. We work hard to set a good example to classes that follow.

Three presidents discuss the problems of the school: Scott Waid, Student Council; Lisa Abbott, Senior Class; Vipal Sabharwal, Beta Club.

Joel Adams conducts the Bearcat band during a practice session. He also led the band during field performances.

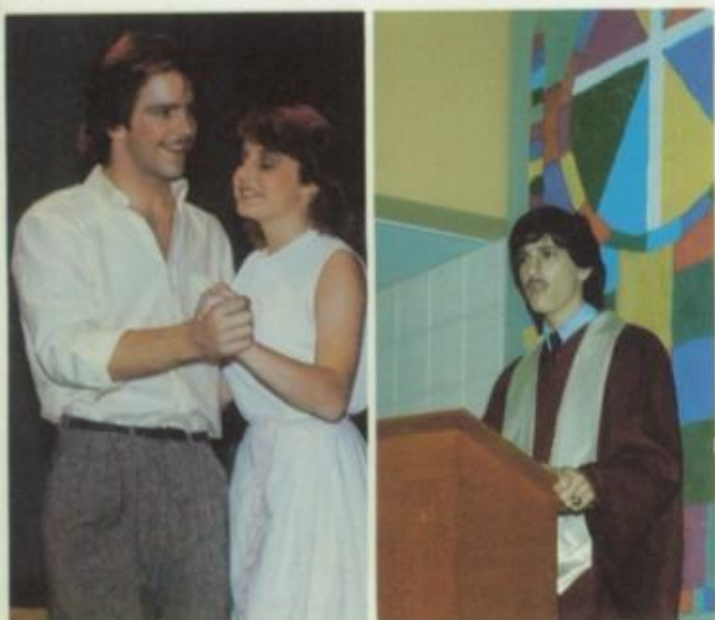

Mike Herfurth, permanent captain of the football team, urges support for the team.

# Our Class Play Was "Heavenly"

The Senior Class play, "One Foot in Heaven," was presented on October 20 and 22. After hours of missed cues and forgotten lines, eight weeks of hard practice finally paid off in two memorable performances. By the time we got over our first-night butterflies, it was time for our closing performance.

We will fill each and every day with memories that we will carry with us to old age. We procrastinate the responsibilities of growing into adulthood until it is almost too late. Laughter fills the air as we reminisce a special moment (of our many). Our bonds of friendship are sealed with heartfelt promises. Then . . . graduation . . . and goodbye . . . but never forever.

The junior year is the in-between year. We're in the middle. We have grown, but we still have a ways to go.

Shortly into our junior year, we began to build our second float. The float turned out to be a work of art.

Classes become more difficult, and the ACT must be taken in preparation for college.

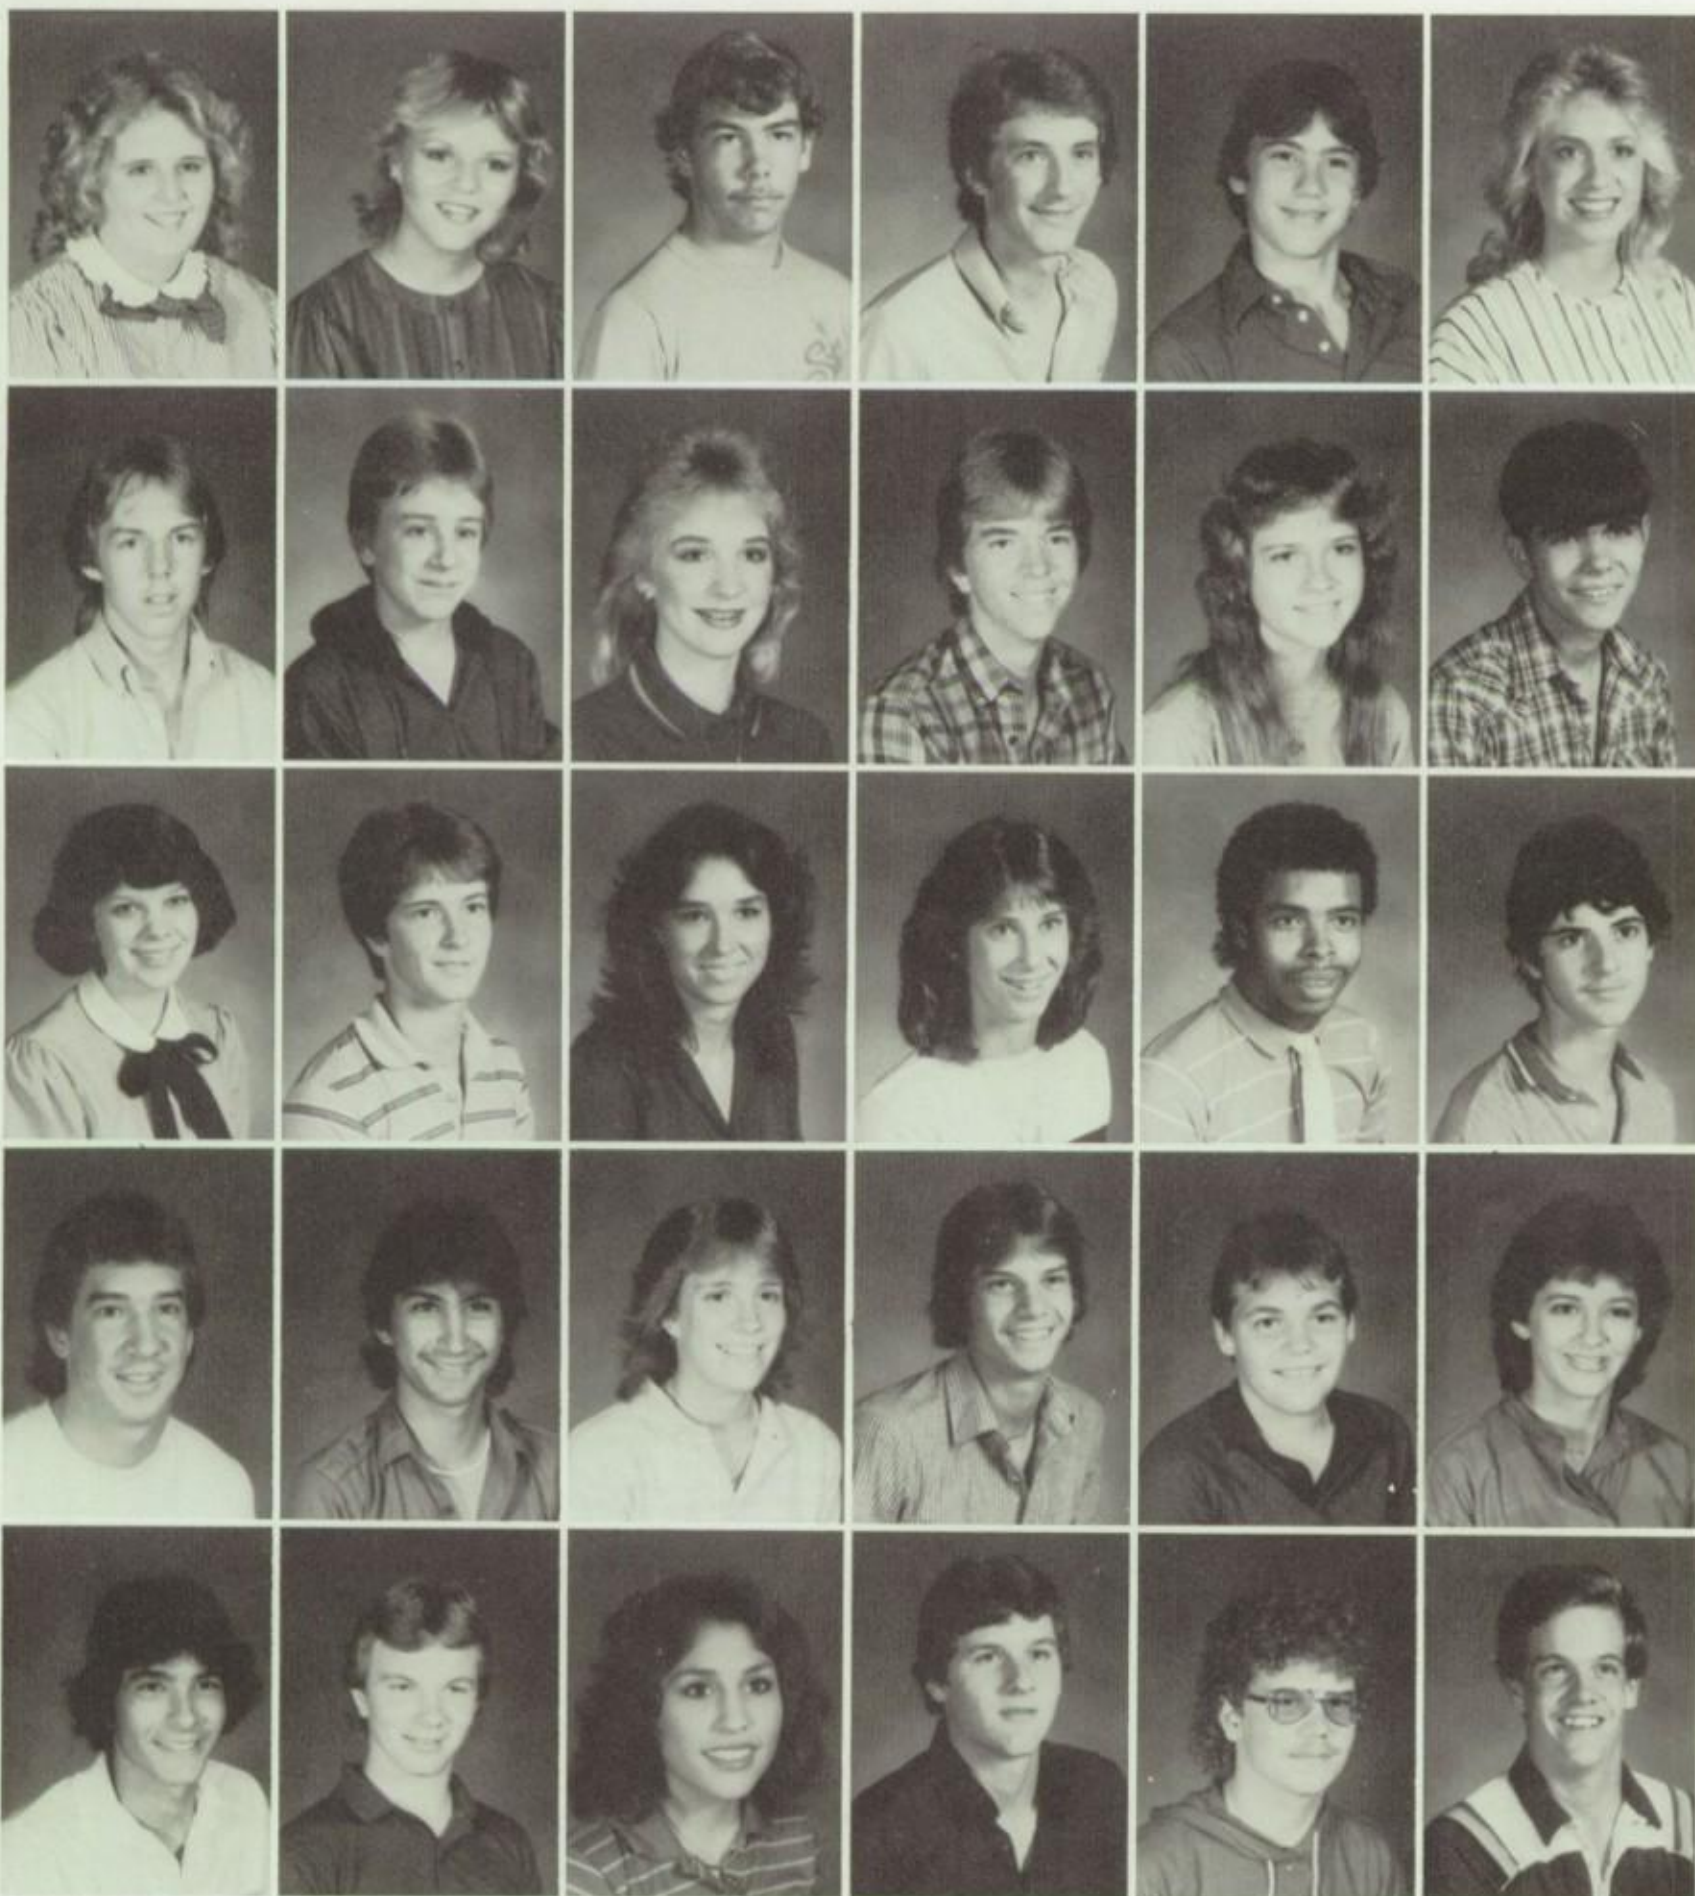

Receiving class rings means a lot to us. The Junior Class play gives many of us a chance to see what big hams we really are!

As time for Prom draws near, we realize that our Junior year is rapidly coming to a close.

## Juniors Work Hard

As Juniors, we encountered more difficult classes such as chemistry, Algebra II, and American History. All the hard work and studying paid off as we survived the difficult classes.

# Homecoming Was Great!

One of the most exciting events in our Junior year was the part we played in the Homecoming activities. The many hard-working hours we spent on flower making were well worth it when we saw our finished float.

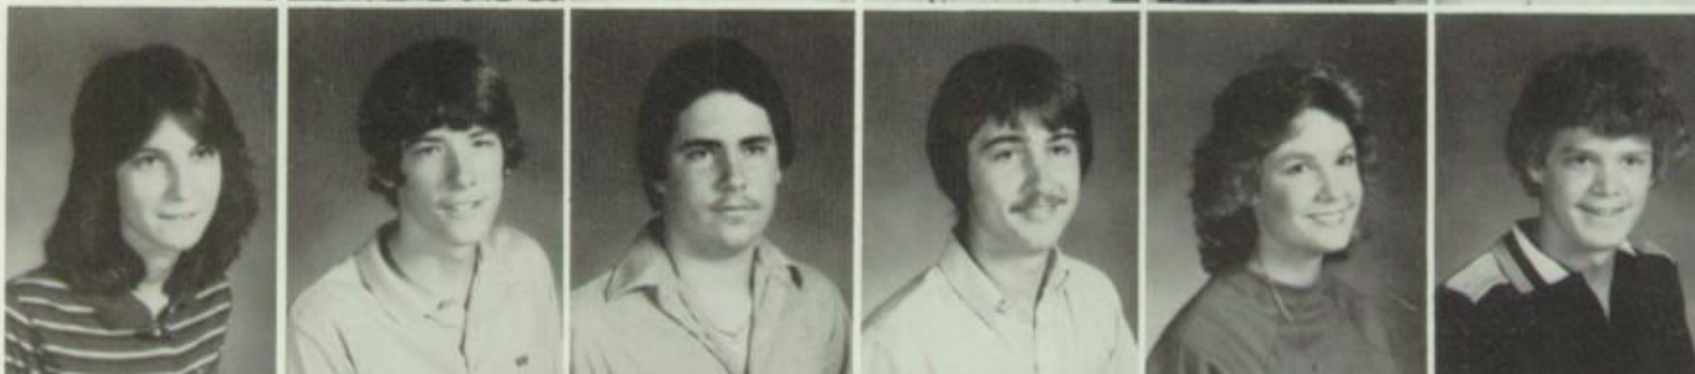

Juniors really let their spirit show at the Homecoming pep rally and were rewarded with the Spirit Stick.

# Research Papers . . . Oooooh!

# Sophomore Class Officers and Sponsor

As our Sophomore year rolled around, we entered a totally new environment: high school. Many of us faced the agonies of geometry and biology.

Homecoming brought about the challenge to pull our class together and raise enough money to build our first float. After we figured out how to make the flowers and how to *begin* building a float, the rest came easy.

During the rest of the year there were football games, pep rallies where we really showed our spirit, exams, friendship, weekend fun, and endless numbers of other "high school events."

As our Sophomore year comes to a close, we look back and realize it has gone by much too quickly. We shall soon be Juniors with new hopes and new expectations.

## In the Beginning . . .

The new Sophomore Class entered Long Beach High School with great enthusiasm and the anticipation of becoming "mature" high school students. At 1 p.m. on August 29, 1983, the new class received their class schedules, school handbooks, and a brief preview of their next three years of high school life.

At first the sophomores were disoriented, but they soon became acquainted with life at L.B.H.S.

## Movin' On Up . . .

Attending new classes, meeting our new teachers, and making new friends were just a few of the things which the Sophomore Class of '84 had to face at our new school.

We kept very busy, trying to keep up with our hectic high school schedules, participating in pep rallies, and raising money for our first Homecoming and other class activities.

## '86 Spirit Sticks!

The class of '86 quickly learned to show our mighty Bearcat spirit. We learned the skills of good poster-making and the magical way the duct tape never seems to stick.

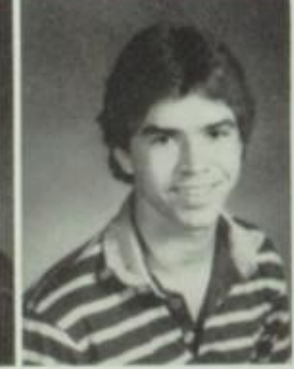

We enjoyed "getting rowdy" with the upperclassmen at Friday afternoon pep rallies and amazed the juniors and seniors by winning the spirit stick . . . TWICE!

## High School Is Work!

This year we learned that being a Sophomore meant more than pep rallies and building floats. With our new classes, we realized how much work goes into being a high school student. Geometry and biology are just a couple of the classes that will determine whether we go on to become Juniors.

# Works to Produce Memory Book for '84

**Junior Editor:**  
Kelly (Bones) McCaleb

**Photographer:**  
Paul Lion

The *Sea Gull* staff is charged with one of the most important jobs in the school: the responsibility of creating for each student a memory book of all students and their friends, important events and people. The staff has strived to make this annual reflect the activities of the '83-84 school year.

Christi Schexnayder directed the creative efforts of this year's staff. Being the only one with annual experience, she was kept busy demonstrating how to lay out pages and crop pictures. Junior assistants were added to this year's staff, and their efforts were greatly appreciated.

At the beginning of the summer, the staff worked daily, selling advertisements. In early fall, production began with picture-taking and cropping, page layouts, written copy, and designing the cover and end sheets.

To produce an annual takes a great deal of dedication and hard work, but for the 17 members of the staff, it was well worth the effort. We hope we have produced an annual that each student will cherish forever.!

Interviewing students and teachers, writing stories, counting headlines, making up page layouts . . . these are just a few of the challenges which are met and conquered each year by the staff of the *Bearcat Press*, student newspaper at Long Beach High School.

All staff members work long and hard, always with that inevitable deadline looming in the distance. Because of the hard work of the staff, L.B.H.S. students have a newspaper that they can enjoy and be proud of.

Members of the staff of the *Bearcat Press* were sorry to hear that their beloved "Gurnelism" teacher had resigned at the end of the first semester. Here they give a farewell party for Mrs. Gurneck. During second semester, Mrs. Estelle Maxwell served as sponsor.

# Aeonian Mount Publishes Original Works

L.B.H.S. students who have special talents in art or writing may see their original works published in the school's own literary magazine, the *Aeonian Mount*. The magazine is written and edited by students.

This year the new sponsors of the magazine are Mrs. Muzette Chatham and Mrs. Marsha French.

Members of the staff select the best material from among the poems, short stories, and art work submitted by members of the student body. The magazine is sold to faculty and students, but the staff also sponsors fund-raising projects to help defray the costs of publication.

# Student Council Sponsors Many Activities

The L.B.H.S. Student Council, the student governing body, serves as a liaison between the students and the school administration. Student Council members are elected by their classes and serve for an entire school year.

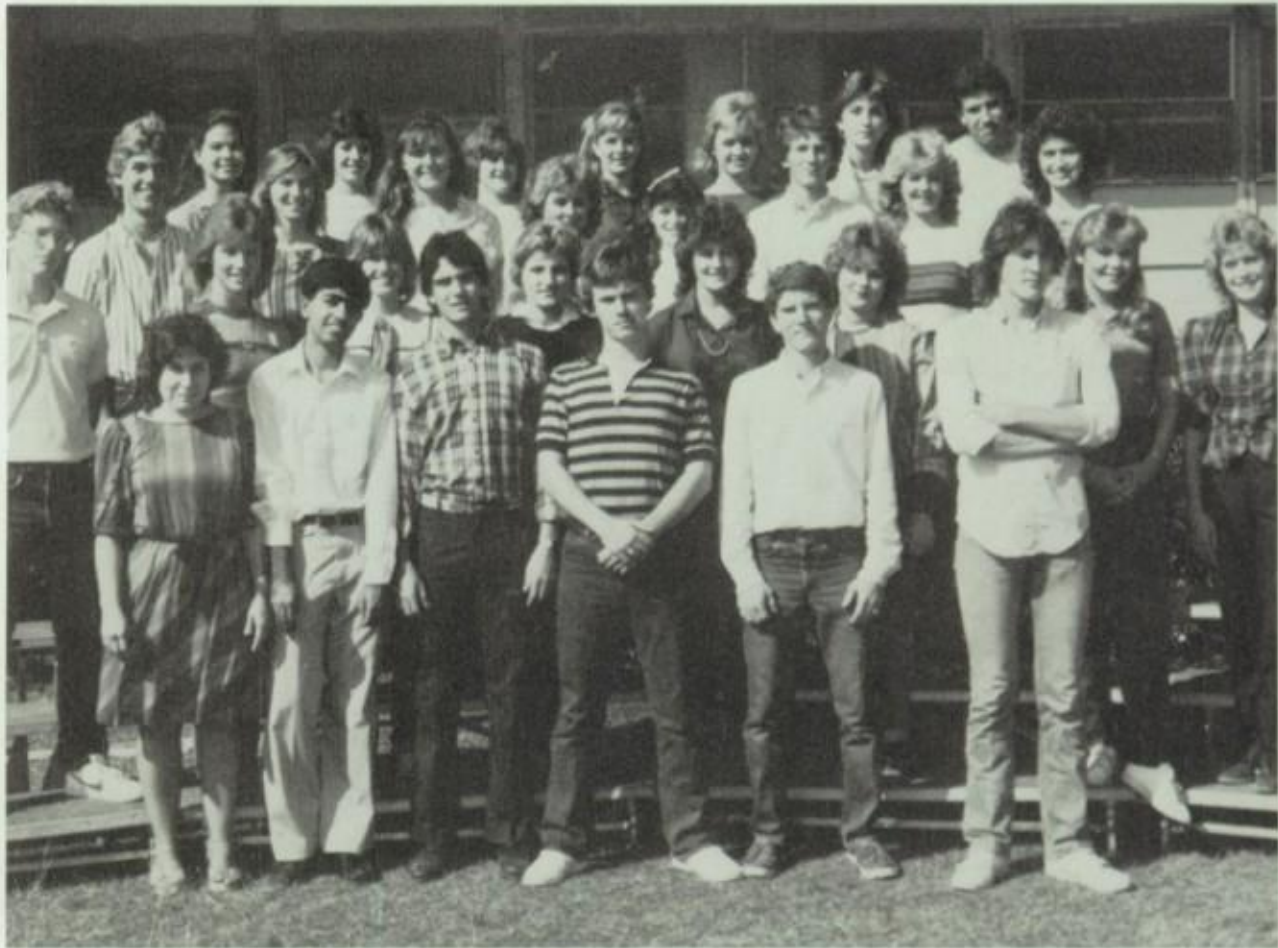

At the beginning of the 1983-84 school year, the council welcomed all new students to Long Beach High with a Newcomers Party. The Council also made the day for many teachers when they provided breakfast for the teachers to get the new year started off right.

Traditionally, the Student Council sponsors Homecoming activities. Included in this year's festivities were the float competition, Spirit Week, the presentation of the queen and her court, and the Homecoming Dance.

In November, the Student Council sponsored the yearly blood drive for the Red Cross. Their goal was to exceed 100 pints. They achieved this goal with a record-breaking 117 pints donated by students and teachers.

The computer dating service was sponsored again this year, and the results were given out on Valentine's Day — very appropriately! The Council had exchange programs with Gulfport and Ocean Springs Student Councils, and they attended the state S.C. convention in Greenville.

To culminate this year's activities, the council hopes to place benches around the campus to provide a place for students to sit and relax before and after school and during breaks.

# L.B.H.S. "Show-Time" Band

The 1983-84 band season began as usual with the agony of hot summer rehearsals mingled with the ecstasy of a cold drink during break-time. In keeping with a Long Beach band tradition, members worked together to truly become a *band* by the second football game. Under the direction of our new director, Mrs. Carolyn Hamilton, changes did occur. The band gave a new "showtime" style of performance that pleased crowds as well as contest judges. Rehearsals, exhaustion, long bus rides, sleepy-heads, contests, nervousness, and ratings — all band members share.

Memories of the thrill of a great show, the laughter of friends, and the tears of a 2-rating will always be remembered.

Band is a combination of many unique people; however, while rehearsing or performing, they become one in the making of music.

*Tammy and Debbie chat.*

*"Can't we be friends?"*

Dedication, excitement, anxiety, frustration, hard work, and tears — all of these emotions and experiences make lasting memories for all those involved in the cast and "behind the scenes" of a play.

Long hours of practice, forgotten cues, the yelling of the director are all part of the preparation of a good production.

All of the hard work is climaxed on the two nights the play is performed. At that time the cast and crew can be justifiably proud of what they have accomplished.

Long Beach Bearcats have seen better seasons than the 1-and-9 record of the past year. However, throughout the season, determination and hope remained in the hearts of the team and the supporters. Perhaps the Bearcats can take a lesson from the 1-and-17 New Orleans Saints and begin to rebuild to become once again the Mighty Bearcats.

According to Coach Tom Boszor, "It was certainly a disappointing year as far as the one win record was concerned; however there were several young men who worked very hard throughout the year, and you cannot always measure your accomplishments by the number of games won and lost."

Mike Herfurth placed All-Conference.

Basketball ballet!

With only three seniors returning, 1983-84 was expected to be a rebuilding year for the Basketball Bearcats, but it turned out to be a winning season with a record of 14 and 11.

Career records in scoring were broken by Earl Watkins, and career records in assists were broken by Thomas Wagner. Thomas had over 200 assists in the last two seasons, and Earl exceeded 500 points in a single season. Both Earl and Thomas were named All-Conference with Ernest Powell receiving honorable mention.

Coach Bob Cuccaro said the highlights of the season were big wins over Biloxi and Harrison Central. With seven varsity players returning next year, the coach and team are looking forward to a good season.

Something new at LBHS this year were the basketball cheerleaders. The cheerleaders attended camp at the University of Southern Mississippi and received one excellent, four superiors, and won the spirit stick two days. For just starting out and in their first season, they are off to a great start.

Spirit at basketball games is definitely better since the introduction of a cheerleading squad just for basketball.

Sponsor of the new group is Mrs. Judy Polk. Denise Noneaker served as co-captain. Gina Pavolini joined the squad late in the season.

## Annual Panic

'Twas the day before deadline  
And all was not right,  
Not a creature was stirring,  
Not even a mite.  
We editors screamed  
At the top of our lungs,  
"Sponsor! Dear sponsor!  
What can be done?  
We can't find the pictures,  
The photographers are gone,  
The dark room is flooded —  
This just can't go on!"  
Late into the night  
We worked (until day),  
Got the annual finished,  
And sent it away!!!

## A Word of Appreciation . . .

I would sincerely like to thank the 1984 *Sea Gull* staff for all the time and effort that they have given in order to complete this year's annual. No one who has not worked on an annual can begin to understand all the hours and hours of after-school and weekend work which goes into the successful completion of this book.

I would also like to give a special recognition to those who helped us this year.

To Mr. Hugh Daniels who provided us with many extra special pictures, and to Mr. Bill Fennell who provided some football action shots for us.

To Mr. Ben Allen and Mr. George Copeland of Taylor Publishing Company for their help, advice, and support.

To Mr. Jimmy Bruce of Southeastern School Photography for the individual portraits of all classes and pictures of clubs and informal activities.

To Dr. Jones and Mrs. Cobb and the L.B.H.S. faculty for their understanding, support, and cooperation.

And to Mrs. Baker, our sponsor, who helped us above and beyond the duties of a sponsor.

A special thanks to all of you!

Christi Schnexnayder,  
Editor, *The 1984 Sea Gull*

Just like Danin said, BECOME cool, and you will stay cool,  
Whenever you feel sad and depressed just yell

WHAT'S POPPIN 

Hey man, try to get some girls this summer, and it  
will straighten you out. Take it from someone who knows

only a few more  
days and I will  
be home. I hope  
you are well.  
I had a very  
terrific summer.  
I had a very  
good luck always.

Love Ya!
